To ensure your BMW performs at its best every day, your BMW Service Centre does much more than just give you advice on which Original BMW Accessories to choose and offer a professional fitting service.

**BMW TeleServices** – your BMW automatically informs you when it's due for a trip to one of our 3,300 BMW Service Centres. In short, quality and safety are at the heart of everything we do.

**BMW Service Inclusive** – you pay a fixed price, and depending on the package you choose, routine maintenance, wear-and-tear repairs and even out-of-warranty repairs are covered for a defined time period or mileage.

**BMW Mobile Service** – a breakdown service from BMW which, in the unlikely event of a breakdown, is on call any time, day or night. The BMW TeleService diagnosis\* transmits all the relevant details to BMW Service headquarters.
